

# 「The 19<sup>th</sup> National Congress on Catalysis of China」

Oct 13th-17th, 2019  
Chongqing, China

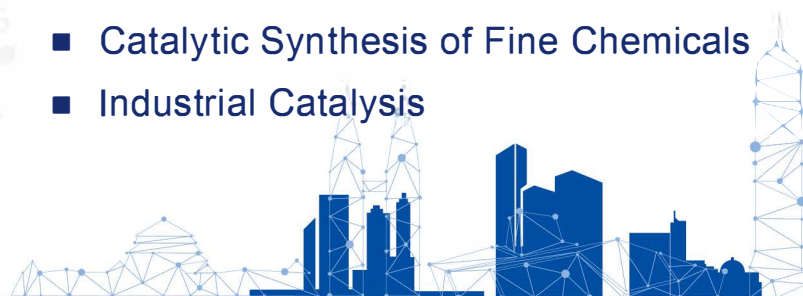

## INVITATION

The organizing committee cordially invites you to attend the 19<sup>th</sup> national congress on catalysis of China (19<sup>th</sup> NCC), which will be held from October 13<sup>th</sup> to 17<sup>th</sup> in Chongqing, under the auspices of the Catalysis Society of China. 19<sup>th</sup> NCC will feature the crucial roles of catalysis science and technology in new energy resources (e.g. solar and sustainable energy), efficient utilization of fossil and biomass resources, and abating/eliminating pollutant emission to the environment. The congress will serve as a platform to exchange novel ideas and discuss the advances in areas of catalysis. The congress opens to the international catalysis community and welcomes participants from all over the world.

## TOPICS

- Catalytic Reactions
- Catalysis in Energy
- Theoretical Catalysis
- Electrocatalysis
- Environmental Catalysis
- Homogeneous Catalysis
- Catalytic Materials
- Catalyst Characterization
- Photocatalysis
- Biocatalysis
- Catalytic Synthesis of Fine Chemicals
- Industrial Catalysis

## CONGRESS VENUE

Yuelai international convention center, Chongqing, China.

## CORRESPONDENCE

Dr.Cunpu Li

Secretary for Conference Arrangement

School of Chemistry and Chemical

Engineering, Chongqing University

Chongqing, 400044, China

E-mail: lcp@cqu.edu.cn

Dr.Wei Ding

Secretary for Academic Program

School of Chemistry and Chemical

Engineering, Chongqing University

Chongqing, 400044, China

E-mail: dingwei128@163.com
