[INDUSTRIAL POSTER PRESENTATION]
Industrial Poster Session is scheduled on 03-Jun-2014. The presenters in Industrial Poster Sessions are requested to give a three-minute preview before the poster session. The poster preview will be arranged in sequential order of the poster number, e.g., IP-2171, PI-2172,..... Only three minutes are allotted for each preview. The presenters are requested to keep the time-limitation and sit on near a platform before the start of preview session. To upload their presentation files at the Speaker Ready Room, see the description above. The information for poster presentation is in the following.

[POSTER PRESENTATION]
A poster board (width 900 mm, height 1200 mm) will be provided to mount each poster. Poster presentation code (e.g. GP1001) will be indicated on the board. Presenters are responsible for the mounting and dismantling of their posters. Presenters can put up their posters from 09:00 on the day of their poster session and have to remove their posters by the end of the poster session (19:40).
